INTRODUCTION & AIMS

- 1.1 Like most businesses, Cloch Housing Association receive requests from charitable bodies and local community organisations for donations and sponsorship. This Policy will cover the circumstances where the Association will formalise our policy in dealing with such requests.
- 1.2 The objects of the Association are to "provide for the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage through the provision, construction, improvement and management of land and accommodation and the provision of care..." and the "permitted activities and powers of the Association will include anything which is necessary or expedient to help the Association achieve these objects.
- 1.3 Section 79.2 of the Rules of the Association state that "The Committee shall set and review periodically its policy for the donation of funds to charities. Such donations must further the objects of the Association and the Committee shall report to the Members on such donations."
- 1.4 The aims of this Policy are to:
 - I. Improve community spirit and involvement of residents;
 - II. Support fund raising initiatives which benefit tenants;
 - III. Raise the profile of social housing and the importance of housing in people's lives.

2. SCOPE AND PRINCIPLES OF POLICY

- 2.1 This policy will not cover donations received by the Association as these are covered in the Entitlement, Payments and Benefits Policy.
- 2.2 Consideration will be given on receipt of a request from an individual or organisation/charity or through recommendation by either a staff member, Board member or share member.
- 2.3 The Board of the Association recognises that the tenants entrust the funds it receives from the revenue of the Association to them. While the Association has both sympathy and empathy for the requests it receives their first priority is to serve the tenants and customers of Cloch Housing Association. As such decisions our key policy principles are as follows –
 - Donations will be made to events where local residents can gain some benefit;
 - No funds will be provided to individuals which can be seen as a benefit solely for that individual and their needs – there are many individuals who are in need of assistance who may not come to the attention of the Association;
 - Donations will not be offered to individuals where the individual could be seen to personally benefit financially;

- A dedicated budget will be set aside for annual expenditure on donations;
- Sponsorship should be about promoting Cloch HA, the social housing sector or Inverclyde.
- The maximum single donation will not exceed £500.
- All requests and proposals for donations or sponsorship will be submitted to the Director. The donations and sponsorships will thereafter be registered in the register book which also holds details of our Entitlements, Payments & Benefits.

3. COMPLAINTS AND APPEALS

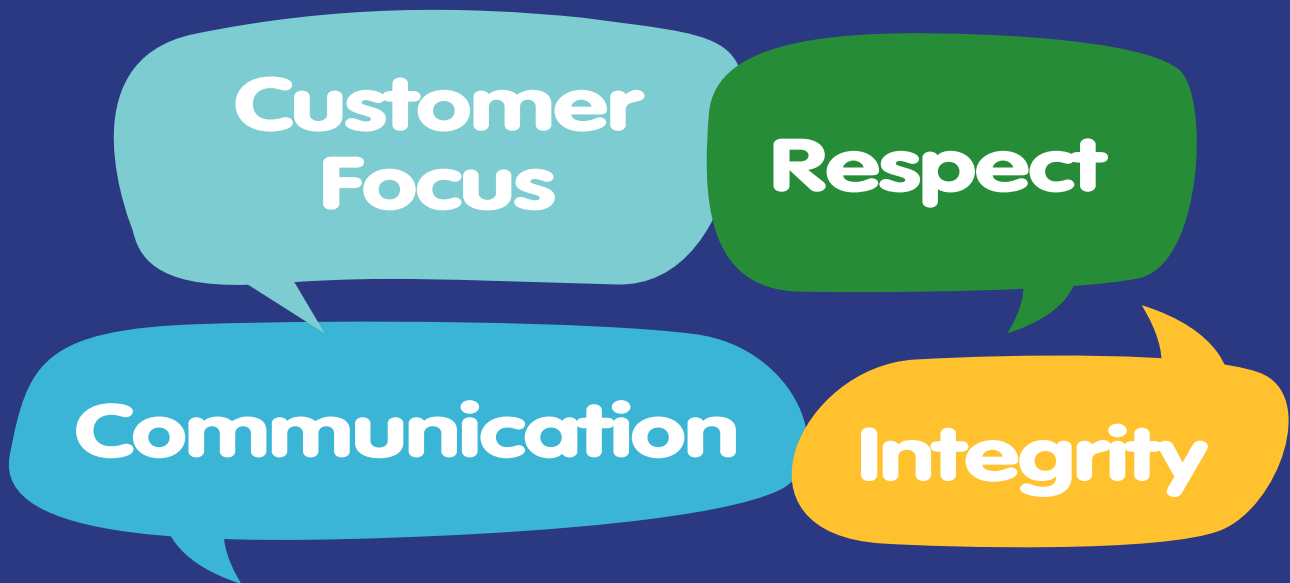

- 3.1 The decision of the Board is final, however, should someone feel that they have been treated unfairly or that the policy is discriminatory in any way, they can complain through the Associations Complaints Handling Procedure, which can be obtained from the Association.

4. MONITORING AND REVIEW

- 4.1 The Board will receive 6-monthly reports on the preceding period outlining what donations and sponsorship have been made.
- 4.2 The donations made each year will be reported in our annual report.

5. POLICY AVAILABILITY

- 5.1 This document can also be provided in large print, braille, audio or other non-written format and in a variety of languages, on request.
